Thanks Marjo. Adding Kelly from IGA as Minister Leblanc was on our briefing with the RCMP and other yesterday.

We've been working with PMO and a few others on this over the course of this week. I've been speaking to journalists on background about preparations etc, and my boss will likely do some media on it this afternoon.

If need be, a statement would come from us, and Minister Blair may be involved as well.

Hello gang,

Just wanted to start a chain where we can talk about the trucker convoy.

We are keeping a close eye on our end but I wanted to know if there was a plan in place in case we need to speak on the issue.

Alex, if there is a need for a statement, would that be Public Safety, are you guys preparing something maybe? Valérie, you guys have the relationship with the trucker association so I am assuming you are keeping in touch with them?

Just wanted to know if you guys are preparing anything -
Merci!

Marjo
